

Government Administration and Elections Committee

I believe CT is falling behind in revamping our voting system. I believe any of the proposed bills, HJ5, HJ13, HJ34 or HJ95 would provide voters an opportunity to take a positive step towards making our system more accessible in our times when many people cite our present system as an excuse not to vote.

Please support these reforms.(Early voting,voting by mail and Regional voting.

Thank you

Tom Corrigan
